LIVE VIRTUAL TASTINGS WITH THE WINEMAKERS

Join Us for a Monthly Tasting with Our Winemakers Featuring 2 Handpicked Wines Each Month

Bouchaine is excited to offer a new spin on the traditional wine club, focusing more on accessibility and fun educational tastings—ask our winemakers your burning questions! Each month, members receive two different wines, including small production and library selections, with ground shipping included. We will feature a new discussion topic monthly with winemaker Chris Kajani and associate winemaker Erik Goodmanson dishing their knowledge and answering questions. Fun vineyard videos will also be included monthly to update you throughout the grape growing season.

Dive in and learn what actually happens in the cellar!

\$125 PER MONTH, INCLUDES GROUND SHIPPING
